Re: Health & Safety Training Requirements (Deadline Extension)

As a reminder, effective July 1, 2022, all license-exempt (not licensed by DCFS) non-relative child care providers who are approved to receive payments through the IDHS Child Care Assistance Program (CCAP) must adhere to the Health and Safety Orientation training requirements listed below.

**The deadline for current CCAP providers to complete the trainings is being extended from October 1, 2022, to January 1, 2023.** Current providers must complete training requirements before January 1, 2023 to receive payment for new families or to continue to be paid for current families after their next redetermination. Provider CCAP payments could end starting with redeterminations occurring in January, 2023 if the provider hasn't completed the health and safety trainings listed below and entered them in their Gateways to Opportunity Registry account.

#### **HEALTH AND SAFETY ORIENTATION TRAINING REQUIREMENTS**

License-exempt non-relative home providers, their assistants/substitutes and license-exempt center providers (including directors, teachers, aides, and staff with access to children) caring for children paid for through CCAP must meet the following requirements within 90 days of being approved for CCAP payments:

- **Become a Gateways to Opportunity Registry member and renew membership every year.**
  - **To become a Registry member visit: <https://registry.ilgateways.com>.**
- **Complete Pediatric First Aid and Cardiopulmonary Resuscitation (CPR) Certification by an approved training entity**
- **Complete Department of Child & Family Services (DCFS) Recognizing and Reporting Child Abuse and Neglect Mandated Reporter training**
- **Complete Child Development, Health, and Safety Basics course or obtain ECE Credential Level 1 Training-Tier 1**
- **Enter your completed trainings in the Gateways Registry and print and keep a copy of your certificates and First Aid/CPR card.**

Training completion is subject to monitoring and inspection by Child Care Resource and Referral (CCR&R) Health and Safety Coaches.

Additional information can be found in the Child Care Assistance Program Policy Manual in [Section 05.05.01 - CCAP Provider Health and Safety Training Requirements](#).

Please contact a Health and Safety Coach at your CCR&R agency if you have questions or need assistance.
